CAREER OBJECTIVE

Frontend Developer and UI/UX Designer skilled in React.js, JavaScript, TypeScript, HTML5, CSS3 and Figma. Interested in creating responsive, accessible and intuitive digital experiences through thoughtful interface design, reusable components and user-centred problem solving.

EDUCATION

Jagan Institute of Management Studies (GGSIPU) — MCA | GPA: 8.47/10 Aug 2025 – Jul 2027 | New Delhi

Maharshi Dayanand University — BCA | GPA: 7.8/10 2021 – 2024

TECHNICAL & DESIGN SKILLS

Frontend: React.js, JavaScript (ES6+), TypeScript, HTML5, CSS3, Bootstrap, Tailwind CSS, Responsive Design

UI/UX: Figma, Wireframing, Prototyping, User Flows, Visual Hierarchy, Interface Design

Tools: Git, GitHub, VS Code **Other:** REST API Integration, React Hooks, React Router

PROJECTS

GradPlacifyr — Placement Platform **2026 – Present**

Built reusable React.js UI components for Admin, Recruiter and Student dashboards, with responsive layouts, role-based views and consistent navigation. Focused on clear information hierarchy and usable recruitment workflows.

AIMCQTest — AI-Powered Assessment Interface **Oct 2025 – Jan 2026**

Developed dynamic question-rendering interfaces with configurable difficulty levels, real-time scoring feedback and a performance analytics dashboard. Created responsive, cross-platform layouts and integrated the frontend with application APIs.

CareerVversity — Frontend Developer **Apr 2026 – Jul 2026**

Built configurable React.js psychometric assessment interfaces, reusable question components and responsive layouts. Connected UI flows to API-driven test delivery, score computation and personalised result reports.

PUBLICATION

Design and Performance Evaluation of a Hybrid Recommendation System for Digital Media Platforms: A Case Study Using the MovieLens 32M Dataset
Aditi Tanwar, Aman, Ashwani Kumar Puri, Anshika Jain — Journal of Advance and Future Research (JAAFR), Vol. 4, Issue 5, May 2026 | Paper ID: JAAFR2605204

LEADERSHIP & EXPERIENCE

JIMS Rohini — Core Team Member, PRASTUTI Ideathon 2026 **Feb 2026 – Mar 2026**

Contributed to organising 300+ registrations and 40+ teams across a multi-college technical ideathon. Coordinated event logistics, participant communication and issue resolution.
